Good Scout Award

The Good Scout Award is bestowed upon individuals who have demonstrated integrity and genuine concern for others in both their professional and personal lives.

The recipients need not have been Scouts but must carry the "Spirit of Scouting" into their adult lives. They are people who have been unselfish in their service to others on an individual and community basis. They seek no return for their service, other than the satisfaction of aiding their fellow citizens, their community, and their nation.

The Good Scouts are people who truly capture the respect and imagination of our youth.
