Kenneth Weismantel, Chairman
Hopkinton Planning Board
18 Main Street
Hopkinton, MA 01748

Re: Scenic Road Public Hearing Request

Dear Mr. Weismantel and Planning Board Members:

I submit the attached Application for a Scenic Road Public Hearing for the removal of trees on scenic roads which are associated with the installation of the new traffic signal at the intersection of West Main and School Streets.

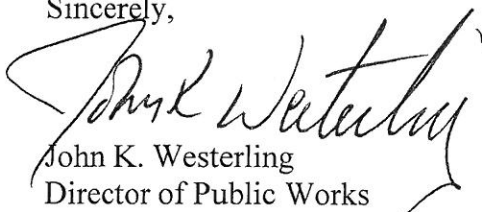

The attached plan shows the location of the trees which must be removed. There are approximately 35 trees as listed below:

Number on Plan	Diameter & Species
1	24" White Oak
2	36" Red Oak
3	16" Red Oak
4	32" White Pine
5	48" Oak
6	Cluster of approximately 30 trees, less than 8" diameter, Invasive Norway Maple, Black Cherry, and Sassafrass

The removal of these trees is necessary to accommodate the proposed construction and to improve the safety of the intersection.

I look forward to the Planning Board's public hearing on this matter where I will present this application.

Sincerely,

John K. Westerling
Director of Public Works
