HOPKINTON AREA LAND TRUST, 3rd Annual Members Meeting Date Set

Woodville, MA: The Hopkinton Area Land Trust has set **September 29, 2013** as the date for its 3rd Annual Membership Meeting. The meeting will **take place in the Hopkinton Fire Station Training Room (Second Floor) at 2PM to 4PM**. The agenda for the meeting will be a welcome by its President, Dave Goldman; a presentation and review of the events of the past year, followed by the election of three Directors to the Board of Directors. The Trust's members are invited to attend, along with the public who would like to learn more about the Trust.

This is the 18th year that the Trust has been in existence and 2012 – 2013 has been an exciting year. As a brief recap the Trust has added 288 acres of open space, either owned or under conservation restriction (CR), to its inventory. This includes the Deneen open space, 6+ acres; the Fruit Street Open Space CR, 145 acres, co-held with SVT, the Phipps Woods Open Space CR 12+ acres, the Braden Woods Open Space CR, 7.8+ acres, and the Cameron Woods/Whisper Way Open Space CR, 132 acres. The Trust is looking for stewardship volunteers to help manage these new open spaces. Stewardship is easy; take a walk in the open space, take a few photos, observe, and prepare a short summary of the observations.

If you would like to help, please call Dave Goldman at 508-435-6578 or drop an Email: goldmand@mindspring.com. The Trust would love to hear from you and please come to the meeting and learn more about the Trust.
