

HOPKINTON MAIN STREET CORRIDOR PROJECT

CONSTRUCTION ADVISORY

MassDOT Project Number: 606043

Construction Advisory No. 52

November 18, 2022

Please be advised that this schedule may change due to weather and existing conditions found while performing the tasks below. This work may impact traffic and require lane and sidewalk closures limiting access to driveways and entrances to businesses.

What to Expect for the Week of November 21, 2022, to November 23, 2022

Monday and Tuesday will be full workdays
Work on Wednesday will end by 12 noon

Detours

- The eastbound detour from Pleasant Street to Maple Street to Hayden Rowe will be used Monday-Wed
- The eastbound detour from Grove Street to Maple Street to Hayden Rowe will be used Monday-Wed

Project Wide

- Continue installing hardware in underground electric vaults
- Temporary paving of remaining sidewalk and driveway areas that do not have concrete from Wood St to the Muffin House – but not the sidewalk behind the bike lane (see below)
- Pavement for depressed areas around water gates and manholes.

East Side of Project

- Continue underground service connections between the Muffin House and Church Street

West Side of Project

- Gravel and grading of the bike lane in preparation for pavement

Working hours for the project are from 7am to 3pm. No detours, one lane closures or road closures are allowed between 7am and 9am.

For the most up to date information about the Main Street Corridor project please visit the Town's project website at <https://hopkintonmainstreet.com>

The Town of Hopkinton appreciates your patience and consideration while we work to support MassDOT's project to revitalize our downtown infrastructure.
