### **Claflin Place Update and Road Closure Notice**

Final paving of Claflin Place is scheduled for Tuesday, 7/28. The contractor will be on site Monday, 7/27, to do pavement repairs and prep work ahead of Tuesday's paving. The contractor will return for another half day of work later in the week for final cleanup on the project.

**The road will be closed Tuesday, 7/28 from approximately 9:00 AM to 1:00 PM.**

Access for residents will be maintained, however, the contractor requests that residents avoid driving on the road between 9:00 AM and 1:00 PM if possible. Avoiding driving on the new pavement when possible will expedite the paving process and provide a better finished product.

Thank you for your patience while the town completes this work for the Claflin Place Drainage Project.
