

Hopkinton Main Street Corridor Project

Main Street Corridor Project Update

August 28, 2026

Project Status/Anticipated Work

- Permanent line striping will be done as night work on Monday - Thursday.
- Miscellaneous sidewalk work and repairs throughout the project.
- Driveway work at Next Generation Children's Center - 2 Wood Street - on the Wood Street driveway. Contractor to provide date for daycare notification.

Detours and land closure will be used as needed.

Please plan ahead, allow extra travel time, and follow posted detour signs. We appreciate your patience and cooperation as work continues to improve Main Street.
